

REMARKSDrawings

Applicant submits that the above amendments to the drawings do not make any substantive changes or introduce any new material, but are simply the correction of grammar, typographical errors and inconsistencies between various sections of the specification and the figures. Applicant further submits that the amendments are consistent with the specification as originally submitted. No new matter has been added. Therefore, approval and entry of the above amendments are respectfully requested.

Applicant has concurrently filed herewith a Letter to the Official Draftsperson submitting formal drawings to replace the originally filed formal drawings.

Specification

Applicant provides herewith amendments to the specification. The amendments to the specification are made by presenting marked-up replacement paragraphs which identify changes made relative to the immediate prior version.

The changes made are primarily typographical or grammatical in nature, or involve minor clarifications of awkward wordings. These corrections are intended to correct grammar, typographical errors and inconsistencies between various sections of the specification and the figures.

Applicant believes these changes add no new matter to the application and are fully supported by the original disclosure.

Respectfully submitted,
